

Day 24 coding Statement : Write a program to print Pyramid pattern using stars

Description

Get the number of lines as the input and print stars in that many lines or rows in a pyramid shape.

Input

4

Output

```
*  
  
***  
  
*****  
  
*****
```

```
import java.util.Scanner;  
  
public class RatanPrajapati_day24 {  
    public static void main(String[] args) {  
        Scanner sc = new Scanner(System.in);  
        int num = sc.nextInt();  
        pramidPattern(num);  
    }  
  
    public static void pramidPattern(int num) {  
        int i, j, k, s;  
        for (i = 0; i < num; i++) {  
            for (j = 0; j < num - i; j++) {  
                System.out.print(" ");  
            }  
            for (k = j; k <= num; k++) {  
                System.out.print("* ");  
            }  
            for (s = j; s < num; s++) {  
                System.out.print("* ");  
            }  
            System.out.println();  
        }  
    }  
}
```
